

## Improve Efficiency and Accuracy

### Intermec solutions designed to meet all your needs.

In today's competitive and highly regulated healthcare environment, you're trying to achieve new levels of efficiency, accuracy and effectiveness while meeting governing agencies' record keeping requirements for privacy and protection.

Hospitals and independent labs alike, can achieve this with specific bar code labeling solutions that adapt to increasing regulations and work with your existing systems and technology. It's because of our extensive knowledge of healthcare regulations, applications and processes that organizations look no further than Intermec for safe, effective bar code and tracking solutions.

**Partner Name** and Intermec bring you solutions designed to protect patient safety, improve efficiency and reduce errors. We can help you implement specific solutions to easily identify and store specimens and samples regardless of the environment and move testing to the point of care for faster, more accurate diagnosis and treatment.

Partner solutions and information maximum 75 to 80 words. Lorem ipsum dolor sit amet, consectetur adipisicing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua.
