

Intermec trade program

Just extended! Save up to \$525 with our printer trade-in program.

Trade-In and Trade-Up

We're happy to announce the Intermec Trade-In Program has been extended through the end of the year!

Take advantage of the Intermec Trade-In Program by trading in a competitive or Intermec pre-owned thermal printer and purchasing a qualifying new Intermec printer to earn up to \$525 back. New for 2013: a special bonus rebate for existing 3400 series printer customers.

Now's the time to upgrade your legacy industrial, mobile or desktop printers to one of the industry's most complete lineup of rugged, reliable and versatile printing solutions.
