Intermec Printers: The Smart Choice.

INDUSTRIAL PRINTERS
Ready. Reliable. Perform.

DESKTOP PRINTERS
Super easy to install and use

	High Performance Built for mission critical applications and 24x7 operation	**Mid-Range** Rugged, 3rd generation platform designed for mainstream applications	**Commercial** For light duty industrial and commercial applications	**Desktop** For low volume labeling applications
	PX4i/PX6i	**PM43/PM43c/23c**	**PD41/PD42**	**PC23d/PC43d/PC43t**
Key Markets	Warehouse, Distribution Center, Manufacturing, Transportation & Logistics, Healthcare	Warehouse, Distribution Center, Manufacturing, Transportation & Logistics, Healthcare, Retail	Warehouse, Distribution Center, Manufacturing, Transportation & Logistics, Healthcare	Transportation & Logisitics, Healthcare, Retail, Small and medium sized businesses – Manufacturing & Warehouse
Typical Volume (labels/day)	5,000-10,000+	2,000-7,000	1,000-4,000	Typically less than 2 rolls or 1,000 labels per day
Max. Media Width (mm)	120/170	114 (PM43/43c) 69 (PM23c)	118	60/118

- Over forty years of barcode printing firsts
- Broadest AIDC product portfolio designed for customer needs
- A leader in network connectivity & security
  - IPv6 Support, WPA2, CCX and WiFi Certified
- Smart Printing programmability for custom applications and solutions, no PC required
- Optimized media for your customers' printing needs
- Localized program and support that drive results
