

PC23d Desktop Printer

SuperFlexible. SuperIntuitive. SuperEasy. Introducing printers so awesome, you might need a cape.

Meet the new PC23d: The fastest, most reliable printer for wristbands, labeling, records, and more. Featuring the easiest media loading. HIPPA compliant. Certified for all major healthcare software, with the highest security protocols. So intuitive that it never gets in your staff's way, with all the accessories and connectivity options to ensure it works wherever they do. In short, the SuperEasy PC23d is a sidkick that's up to the challenge of truly heroic efforts.
