SuperFlexible. SuperIntuitive. SuperEasy.
Introducing printers so awesome, you might need a cape.

The new PC43t bar code printer is so intuitive, you'll have it up and running in minutes. With its universal icons and ten languages, anyone can resupply it or maintain it in a snap. The PC43t won't waste your time – it's the fastest printer in its class, with abundant accessories and connectivity options for easy use anywhere. And forget about trekking back and forth to the print station – the PC43t is so small, you can use it wherever you need it.

You're the hero of the day with the PC43t as your sidekick.
