SuperFlexible. SuperIntuitive. SuperEasy.

Introducing printers so awesome, you might need a cape.

Meet the SuperEasy PC43t Desktop Printer.

The new PC43t bar code printer is so intuitive, you'll have it up and running in minutes. Anyone on your manufacturing floor can resupply it or maintain it in a snap.

Become an IT Superhero Today!

SuperEasy: The fastest printer in its class
SuperEfficient: Forget about trekking back and forth to the print station
SuperIntuitive: Communicates using universal Icons and ten languages
SuperFlexible: Accessories and connectivity options for easy use
